The day usually starts with signing on at 8.00am and a mandatory briefing at 8.30am. The track opens at 9.00am for sighting laps and goes live at 9.30am. There will be a lunch break for 1hr, the time of which will be confirmed on the day. It is planned that all drivers will receive 3x 15 minute sessions throughout the day. Depending on the drivers experience, we will determine whether they are accompanied or not. There will be three cars at each event with a maximum of 12 places (4 people per car). If everything runs smoothly with minimal red flags and hold ups drivers will receive more sessions in the cars until the end of the day, usually 4:30pm – 5:00pm depending on light. If you can only attend the afternoon let us know in advance and it may be possible to arrange a lunchtime briefing. Full insurance is not included but any driver causing damage to the car during their session however caused is liable for repairs to a maximum of £2,000.00. Parts at cost and labour at £45/hr.

The cost for a taster day is £300+VAT per driver. This must be paid in advance to secure your place. On receipt of your signed booking form you will be emailed an invoice. The preferred payment method is Bank Transfer but we also accept card payments and PayPal. No refunds for cancellations. If you decide to join the Championship for 2019 then the taster day Fee will be deducted from the first rounds invoice.
